## From the Principal

Dear Parents and Carers,

The willingness of school community members to give freely of their time for the benefit of our students is one of the great strengths of Rathmines Public. The "Thank You Morning Tea" held in our school hall last week provided staff and students with an opportunity to express our thanks to the many parents, carers and grandparents who have been wonderful volunteers during this school year. When speaking to our guests I made mention of the following examples of this support and the impact they have on the lives of our students:

- the contribution made by our P & C executive in regard to community building and fundraising events
- the volunteers who assist in the running of our excellent canteen
- the ladies who provide such a wonderful service to families through the management of our uniform shop each Monday morning
- the parents and grandparents who assist Helen Bristow in the operation of our Breakfast Club every morning before school
- the parents and carers who either provide "in class" support to our teachers and/or assist in the coaching of many representative sporting teams

### Vision Statement

Rathmines Public School's vision is to pursue and celebrate excellence in all areas and to ensure everyone has the opportunity to experience success within a supportive, safe and engaging learning environment which embraces the creative and productive use of technology and is free from all forms of discrimination. Our vision is to educate students for life by fostering their sense of wellbeing and developing their personal values of honesty, resilience, empathy, respect and responsibility.

## From the Principal cont'd

As Principal, I am also very mindful of the fact that so many of our teachers and support staff accept additions to their regular responsibilities in order to provide such a wide range of extracurricular opportunities for our students. The readiness of **Ellouise Boyd** and **Phoebe Watson** to facilitate the involvement of the senior girls and boys dance groups in the **Wangi Carols** last weekend is the most recent example of what is a very positive aspect of our school culture.

As we approach the end of another school year I would like to express my appreciation to all parents, carers, grandparents and staff members for “going above and beyond” in order to provide our students with an “opportunity to experience success within a supportive, safe and engaging learning environment” (School Vision Statement).

### Presentation Day

The annual Presentation Day held at Avondale College this morning provided us with an opportunity to affirm all students for their efforts this year and also to offer special acknowledgement to the Year 6 students who will conclude their primary education at Rathmines Public School next Wednesday. ### 2020 Student Leaders

During Term 4 students in our current Year 5 classes have participated in a process leading to the selection of the student leaders and sports house captains for the 2020 school year. The process has been aimed at ensuring the students develop an understanding of the roles and responsibilities of being a student leader and also an awareness of the characteristics needed to fulfil those roles. I commend all Year 5 children for the contribution they have made to the process either as a leadership candidate or through participation in the voting process. On behalf of everyone in the Rathmines school community I congratulate the following students who have been selected to fill leadership roles in 2020:

### Affirmation Assemblies

During this week I have enjoyed reading through all of the **Affirmation Certificates** which were presented to students from Kinder to Year 6 during the **Stage Assemblies** on Wednesday and Thursday, in recognition of their efforts throughout the year. It is always very pleasing to see the broad range of achievement areas for children from all grades and I congratulate all students on giving of their best during another busy school year. I thank all class teachers for organising the stage assemblies and for the extra effort they make to ensure that their classrooms are engaging and supportive learning environments.

### Staffing Update

**Tina Buining-Horn** has accepted a transfer to **Arcadia Vale Public** from the start of the 2020 school year. Tina has accepted responsibility for setting up and teaching a new Special Education Class which is being established at Arcadia Vale. On behalf of all past and present students and members of staff at RPS I sincerely thank Tina for the outstanding support she has given to the students at our school over many years. Tina has an absolute passion for nurturing and educating students with additional needs and I know she is looking forward to taking on what I am sure will be a rewarding new challenge in her career.

We have been fortunate to have a number of excellent teachers filling temporary and long term casual positions

this year and they have made wonderful contributions to our school. I take this opportunity to express my sincere appreciation to **Stephanie Moore, Tralee McNamara** and **Georgie Zervos** for the professionalism and sense of commitment they have displayed while fulfilling their class teaching responsibilities this year and I am sure everyone in our school community joins with me not only in wishing them all the best for the next stages in their teaching careers but also offering best wishes to Georgie as she looks forward to the birth of her first child early in the new year. I am very pleased to be able to confirm that **Rebecca Gill, Ellouise Boyd, Lynda Maretich, Clare Taylor, Phoebe Watson, Niesa Case, Clare Cawley, Kim McNulty, Jason Rucroft** and **James Picot** will continue in their temporary teaching roles at our school next year. On behalf of all members of staff, students, parents and carers I welcome **Mrs Michelle Fragar** who has accepted a transfer from Fennel Bay Public to Rathmines from the start of the new school year and **Megan Bowron**, who will share class teaching responsibilities with Clare Cawley and Melinda Russell during Term One.

The students and teachers in our school have received excellent support this year from the **School Learning Support Officers** (SLSOs) who have been employed in either permanent or temporary capacities during 2019. I thank all of the SLSOs for their commitment to their roles and the care, guidance and support they have given to our special needs students.

### Swimming Scheme

I congratulate all of the students who participated in the annual **ten day swimming program** which concluded last Friday. The teachers were very impressed with the manner in which the children conducted themselves during their lessons and while travelling to and from the Toronto Swimming Complex. While all of the students improved their swimming ability and water confidence during the ten days it is important to note that the benefits of the program will be maximized if the children are given the opportunity to further develop their swimming during the holidays. On behalf of all the children in the program I thank Mr Fisher for all the time and effort he contributed to organising this extra curricula activity.

## From the Principal cont'd

### Semester Two Reports

I have really appreciated having the opportunity to review the semester two reports which were sent home yesterday. It is always particularly pleasing to read the comments made by class teachers in regard to students' application to, and engagement in, their learning as it is this attitude which is the key to each child reaching his or her potential. I encourage parents and carers to take the time to read through the reports with their children and to use the documentation as a guide to setting student learning goals to work towards in the new school year. This will greatly enhance the value of the assessment and reporting process.

### School Uniform

Maintaining high standards in regard to the wearing of the correct school uniform has a big impact on our efforts to foster a positive school culture in which all children demonstrate a strong sense of school spirit. I commend all the students who have contributed to this goal during 2019 and I thank parents and carers for your support in this regard. One aspect of the school uniform which would benefit from close attention is the wearing of **plain black school shoes**: an increasing number of children have been arriving at school in shoes which are black, with white "additions". I am mindful that many parents and carers will be fitting their children out in new shoes prior to the start of the new school year and that your children may push the idea of wearing "black with white" shoes. If this situation arises I encourage you to take the lead and purchase shoes that comply with our school uniform requirements. I take this opportunity to remind **all of our senior students** and especially our newly elected school leaders that they have an important role to play in this regard.

### Year 6 Gift to RPS

The Year 6 Mini Fete which was held last Thursday was an outstanding success as a result of the wonderful financial support received from families within the school. Just over **\$2000** was raised to go towards the purchase of a gift from Year 6 of 2019, during a very busy two hours of children participating in a wide range of fun activities. The Year 6 students have decided to use the Mini Fete funds to purchase new "Scenic Blinds" for the school library.

### Year 6 Farewell Dinner

I am looking forward to joining with the Year 6 teachers in thanking and congratulating our Year 6 class of 2019 when we gather for the **Year 6 Farewell Dinner** in the school hall next Tuesday evening. I would also like to take this chance to publically commend all the Year 6 children for their contributions to Rathmines Public. Many of the students in our senior class have been at this school since Kindergarten and during that time they have displayed a wonderful degree of school and class spirit, concern and support for each other, and a very positive attitude when engaging in all school activities. I am sure everyone joins with me in wishing them the very best as they conclude their primary education and move onto high school.

### Happy Holidays

I know all of our students and members of staff are looking forward to Christmas and the school holidays after another busy but rewarding school year. I thank all members of the teaching, support and office staff for the dedicated and professional manner in which they have fulfilled their responsibilities and contributed to the our goal of nurturing, supporting, and at the same time challenging our students in an engaging learning environment. 2020 will no doubt bring challenges as we implement the final year of our **2018 to 2020 School Plan** which is designed to move us closer to the achievement of our vision for Rathmines Public. I look forward to working with all members of the community next year and offer my best wishes to staff members, students, parents and carers, family members and in particular our wonderful grandparents for a Happy Christmas and a relaxing well-earned summer vacation. The new school year will commence for all classes except Kindergarten on **Wednesday 29th January**. Kinder students will have their first day of school on **Monday 3rd February**.

Yours sincerely,

*Nick Walker*

# SPEERS POINT PARK EXCURSION

The Gems recently went to Speers Point Park for an excursion. Everyone had a great time. The students were generally well behaved and we even saw one of our old friends! Thank you to Mr. Walker for letting us hire the bus and the Support Unit staff members Mr. Bidstrup, Mrs. Laughton, Mrs. Christie, Ms. Cox, Mr. Rogers and Mrs. McGovern for making sure the children were safe and sound.

# SUPERCARS EXCURSION

On Friday 22<sup>nd</sup> November Mr Ruecroft and Miss Boyd took some students from Year 6 to attend the Newcastle 500 as part of the 'Students On Track' program. This amazing opportunity allowed students to participate in a range of experiences such as the junior press conference, police equipment demonstrations and virtual reality simulations to name a few.

Students also appeared briefly on the radio (105.3 New FM) and were able to get up close and personal with a range of support category race cars and examine various parts and components.

Our group was also able to view multiple vehicles that had been involved in a series of controlled crashes at different impact speeds to illustrate the huge difference in damage. Students had the opportunity to ask questions and discussed the importance of staying safe.

Overall, the day was a huge, loud success for all involved. I would like to thank everybody for their excellent behaviour throughout the day and Miss Boyd for assisting with supervision during the event.

# MOVEMBER

Hi everyone!

So Movember is over and our lips are now cold and boring. We will all cherish the photo below, now located on each of our respective mantelpieces.

**This is your last chance to donate to a very worthy cause**, we have raised \$810 so far (a special thank you to Helen Bristow and the Catalina Players for donating \$600 of this!). Help us tackle men's health, and if we reach \$1000 we will commit to doing it all again next year (with different styles of moustaches of course, and maybe a few extra recruits). It is very quick and easy to donate and any donations are tax deductible.
